

Press Release n. 4

Sanremo Historic Rally. Closing of entries on Wednesday, October 5

Extended by one week the registration opportunity for FIA competitors at the West Liguria race. Entries will close Wednesday, October 5, even for "Europeans," as well as for competitors not entered in the Continental Series.

SANREMO (IM), 27 September – To give competitors in the European Historic Rally Championship a moment's extra breathing space, especially those returning from last weekend's Rally Elba Historic, **the FIA has granted a one-week exemption to the closing of entries for competitors chasing the continental title.** Therefore, entries for the 37th Sanremo Historic Rally will close for everyone (both FIA and non-FIA competitors) at midnight on Wednesday, October 5.

The rest of the event program remains unchanged.
